

Semester 3
LTC, LMF

Sunday 21 OCT 2018

Mr. Maknun
0900

After discussion with Mr. Maknun, the LTC and/or
EOL assignment is either LTC or EOL not both. It
is 2500 words in length in Hebrew, bibliography citation is
per Harvard ref; Double line spacing.

It is Sunday schooling. It is top up. It
is parttime not full time.

International health / global health #LME

is a field of health care, usually with a public health
emphasis, dealing with health of populations across
geographical regions and international boundaries

Topics of LME, LTC, EOL, MMR, SM. LME

800 words. MMR 2000 words. LTC 2500 words -

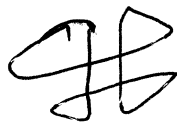

SM documents - MMR 40 questions (Pharmacology / Pharmacodynamics,
pharmacokinetics MMR)

So Grammar, Spelling, units, refs, etc.

units *

- 7/13 Githi
- 7/13 Gami
- 7/13 Dadi
- 7/13 Kishwan
- 7/13 Abu
- 7/13 Mura
- 7/13 Sushanta
- 7/13 7 Mura
- 7/13 7 Kishwan
- 7/13 7 Abu
- 7/13 7 Gami
- 7/13 7 Tadi
- 7/13 7 Hya
- 7/13 7 L

Semester 3
L4, L1C

Mr
Mak
09/15

Sunday 21 Oct 2018

Something, the Line would include an enhancement, or a development, or a change that shall be implemented. The implementation is through a model. Therefore the output include the application of a model of change so that the writing is structured according to a model. Check how models are applied. An application must shall be out of the paper includes? The process of implementation shall be included. Check the criteria in the handbook. Lavin model - EOL case model, LTC model, choose a model for each of the modules =

MCQ - question and answer model works

LME - Kurt Lewin, Leadership Change -

LTC -

EOL - Kurt Lewin

SM - algorithm

Core Skills	
A:	Communication
B:	Listening
C:	Speaking

7

Semester 3

LTC

Sunday 2018 21 OCT.

Mr
Makham

LTC - The problem.

LTC - The Impact of the condition on Economies

The idea ~~idea~~ → 5 Nov Diwali → show invitation
intended to all students + an afternoon party x 12 candles
EUPP # Diwali # 5 Nov - 6 pm →.

Assignment is either
LTC or EDL

But not both

Previous students got stuck
and could not find enough data
to reach needs requirement

17 Nov - 25 ^{manus}
Sethram Churly

~~SS~~

Sunday 21 OCT 2018

* ADDING UP Resources lost
in project

* Printing out a Pdf of cost
of resources report

* using the report in a feasibi
feasibility study in appendix

* using the graph in Text -

*

Pa

2018 EOL ~~2018~~ Sunday 21st

is a chance to do an
original piece locally - As
a start & it may be
attempted but at your own risk

WHY NOT DO 2

An LTC and An EOL

and then submit the best
